ATTENTION: Minerals Regulatory Program

We are requesting that you change the name on our permit to allow us to complete the required documentation as required by the State of Utah.

The name on the permit at the present time is West Desert Collectors at the Tetla Septarian Mine, M0250006.

The names on the permit should now be as follows:

Robert L or Iris H Harris

The ownership has not changed and we are the same operators. There has been no purchase of the mine. This is simply a formality to allow compliance with state requirements.

Please complete this as soon as possible and notify us when this is complete. We are anxious to get everything taken care of as requested.

Thank you,

Robert L or Iris H Harris
